Requirements

Attach a current copy of your tuition bill from your home school.

Pay your tuition at Bay College once you receive your refund from your home school.

This form must be completed each semester you are requesting a deferment.

Bay College Semester Requesting Deferment – Choose only one

<input type="checkbox"/>	Fall semester (August-December)
<input type="checkbox"/>	Winter semester (January-May)
<input type="checkbox"/>	Spring semester (May-June)
<input type="checkbox"/>	Summer semester (July-August)

Initial that you have read each statement

	Deferments are given only for the amount of financial aid credit that appears on your tuition statement from your home school.
	It is your responsibility to pay Bay College immediately after you receive your refund from your home school. Your home school does not automatically send the payment here.
	Your book costs are not covered under this deferment.
	Until your tuition is paid at Bay College, a hold will be placed on your account that will not allow you to register for your future classes. Also, you will not be able to receive transcripts.

Authorization

I understand that I am obligated to pay for all charges that I incur at Bay College.
