

Get the most out of tutoring.

1. Materials

1.1 Attend class and take notes, especially take notes on things you don't understand.

1.2 Bring all class materials (Syllabus, notes, book, handouts, etc.)

1.3 Bring a separate notebook for notes on your tutoring session.

2. Attitude

2.1 Stay positive, it won't be easy but it will get better.

2.2 Be patient, it will take time for you and your tutor to learn how you learn best,

2.3 Stay engaged. Ask for help finding a way to relate to the course material.

3. Focus

3.1 Make sure your tutoring space is clean and quiet.

3.2 Cell phones and other distractions should be put away.

3.3 Work on extra problems in the spare time during sessions.

4. Post Session

4.1 Practice outside of your tutoring sessions.

4.2 Review your notes from class and tutoring sessions to connect the material.

4.3 Come up with questions to ask next time.
