

Resolution No. 2021-10

Introduced by: Vice President Simons

**A RESOLUTION TO:** call on the Lake Superior State University offices of Safety and Risk Management and Campus Life to investigate potential changes to the weapons policy outlined in the Student Handbook (Code of Conduct).

WHEREAS currently the policy outlines prohibited conduct including “Possession of chemicals or other dangerous substances or compounds, with intent of causing injury to a person or property.”

WHEREAS the current verbiage of this policy would exclude the use of mace or pepper spray as a form of personal protection for students.

WHEREAS allowing students to carry mace or pepper spray would increase the feeling of safety for the students at Lake Superior State University.

WHEREAS looking into changing this policy would support LSSU Student Government Objective 2021-1 which focuses on the physical, mental, and emotional wellbeing of all students.

RESOLVED, the LSSU Student Government will urge the Office of Safety and Risk Management as well as the Office of Campus Life to investigate changes to the aforementioned policy to allow for students to carry non-lethal personal protection agents including mace or pepper spray.
