

Memorandum of Understanding
Lake Superior State University (LSSU) and
the Lake Superior State University Faculty Association (LSSU-FA)

June 21, 2022

Sections affected:

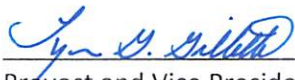

8.5

Statement of Problem:

Given the timing issue between the current contract and the tentative contract agreement, there is an issue of when the School RPT Committee provides their annual goals assessment, evaluation feedback, and ratings.

Solution:

Since the School RPT Committee's assessment, evaluation feedback, and ratings were completed by May 15, 2022, those evaluations will be accepted for the new contract's deadline of September 1 and do not need to be redone for 2022.
