

Charter School Visits to LSSU

Explore LSSU's campus and learn the history of the surrounding areas and community

Activities will range from:

- Experiments in LSSU's state-of-the-art science labs
- Wading in Lake Superior to examine macroinvertebrates
- Or playing a traditional game of lacrosse at a historic lighthouse

Contact Kristin Graham at 906-635-2673 or kgraham4@lssu.edu to schedule your trip!
