

**Postsecondary Credit Agreement  
Between Lake Superior State University and  
State-approved Career and Technical Education Programs in Michigan**

The purpose of this agreement is to encourage and support student transition from Career and Technical Education (CTE) Programs within Michigan to certificate, diploma and degree programs at Lake Superior State University (LSSU). Students from state-approved career technical programs will be eligible for ‘articulated credit’ from LSSU when they have fulfilled the following program requirements within two years of high school graduation. This agreement will remain in effect until the expiration date noted below; the agreement is renewable, and will remain in effect for admitted LSSU students for one additional year after the expiration date to permit admitted students access to the agreed upon credits.

**Requirements & Conditions:**

1. Candidates must have completed the state-approved Michigan CTE program described in this agreement. Candidates are required to meet minimum performance standards which include:
  - a. Minimum grade of “B” (3.0 on a 4.0 scale) or better in all CTE required courses.
  - b. Completion of two full high school credits in the designated CTE program (two hours in one year or spread out over two years).
  - c. 90% or higher time in attendance during the program
  - d. Completion of state-assessments with a passing score, if applicable, or other end-of-course exams, portfolios, etc.
  - e. Positive recommendations from the program instructors and CTE director.
2. Candidates must submit a completed LSSU Application for Articulated Credit and all additional necessary documentation related to the successful completion of the CTE program.
3. Within two (2) years of their high school graduation, candidates must be admitted to LSSU and successfully complete (earning a ‘C’ (2.0) or higher) the “next designated course” in the articulated program’s plan of study before receiving articulated credits based on their CTE program.
4. College tuition will not be charged for the articulated course(s) listed in this agreement; no grade will be recorded.
5. CTE program must cover the state approved curriculum for 52.0800.
